Need a Legal Expert on Immigration? **We're Here to Help**

Erick Widman | Attorney | Family Immigration

Erick Widman is the founding attorney of Passage Immigration Law and a recognized expert in Family Immigration Law. He has been practicing law since 2004 and is a member of the state bars of Oregon, Washington, and California. Over the years, Erick has helped hundreds of families navigate the complex U.S. immigration system with clarity and compassion.

His passion for immigration law is personal. Erick and his wife lived in Budapest, Hungary for three years and went through the immigration and naturalization process themselves after marrying—an experience that deepened his understanding of the emotional and legal challenges many clients face. That journey fuels his commitment to helping families stay together and build stable futures in the U.S.

Bridget Bailey | Attorney | Asylum & Removal

Bridget Bailey is an immigration attorney at Passage Immigration Law with a strong focus on Asylum and Removal Defense. She brings a unique, dual-perspective approach to her practice, having previously served as a city prosecutor for Hood River and The Dalles, and as a USCIS Asylum Officer in 2022 and 2023.

During her time with USCIS, Bridget interviewed hundreds of asylum applicants from Central and South America, Africa, Asia, and Europe. That experience deepened her understanding of the complex and often deeply personal nature of asylum claims, ultimately inspiring her to shift from adjudication to advocacy.

Bridget is a member of the American Immigration Lawyers Association (AILA), the Oregon State Bar, and is admitted to practice before the U.S. District Court of Oregon. She earned her J.D. from Lewis & Clark Law School and now dedicates her practice to protecting the rights of individuals and families facing deportation or seeking protection through the asylum process.

Raeann Boero | Marketing Manager

As Marketing Manager at Passage Immigration Law, Raeann is dedicated to expanding the firm's reach so more individuals and families can secure legal pathways to live and work in the U.S. She believes everyone deserves safety, dignity, and the opportunity to thrive—and that access to trustworthy legal support is essential to that vision.
